At approximately 11:00 P.M. on Tuesday, September 09, 2014, City of Fond du Lac Police Officers were dispatched to the area of South St. at Elm St. for a report of several gunshots being fired. The gunshots were heard by a Fond du Lac County Sheriff's Department Deputy that was in the parking lot of the City/County building. The Sheriff's Deputy went to the area and reported seeing several people flee from the area. Several City of Fond du Lac Police Officers and Supervisors responded to the scene to begin the ensuing investigation.

Shortly thereafter, a City of Fond du Lac Police Officer located a vehicle matching the description of one seen leaving the area; that Officer coordinated with others and a stop of the vehicle was conducted. Four subjects were taken into temporary custody for questioning. They were later released after investigating Detectives and Officers determined that, although present, they were not involved in firing the shots.

The Police Department's investigation has remained active throughout the night and morning hours of Wednesday, September 10, 2014. As of this time, Detectives have discovered evidence and information that indicates that several gunshots were fired and a possible suspect has been identified. However, the Police Department has not received any information regarding injuries sustained in this incident. At this time, it appears that an argument at a gathering on South St. lead to the shots being fired.

The Police Department's investigation remains active. No further details are available at this time.
